Come Out And Play Grades K—2

Does your K-2 child have lots of energy and is interested in learning a new sport? If so we encourage him/her to come out and play and learn about the game of lacrosse. Along with the game youngsters will learn respect for teammates, personal responsibility and good sportsmanship.

2017 LACROSSE

Players will meet once a week with the emphasis on having fun and to teach the basic skills and rules of the game of lacrosse. This is a noncompetitive, non-contact, grassroots program. Our goal is to promote team play, individual skill development, sportsmanship and a love for the game! No competitive games will be played with this program but the “games” that are played are geared toward learning the skills. A lacrosse stick will be provided to those who have not participated in the past as part of the program. No other equipment is required.

Who: Boys and Girls Grades K—2

When: Sundays, April 30, May 7, 14, 21, June 4 (5 Week Program)

Time: 2:00 p.m.—3:00 p.m.
