

Barre City Elementary and Middle School presents
Parent Math Night

Are you interested in how your child is learning important math concepts?
Would you like ideas on how to help your child with math homework?

These Parent Math Nights are designed to help you!

MARK YOUR CALENDAR!

Date	Topic ...	Recommended Grade Level
October 4, 2017 Wednesday	Strategies for Learning Math Facts	Grades 2-5
October 11, 2017 Wednesday	Strategies for Making Sense of Math – Using Visual Models	Grades 2-5
October 25, 2017 Wednesday	Multiplication	Grades 3-5
November 1, 2017 Wednesday	Fractions	Grades 3-6
November 14, 2017 Tuesday	First Grade - Number Sense (aligned to PNOA Assessment)	Grades 1
November 16, 2017 Thursday	Kindergarten - Number Sense (aligned to PNOA Assessment)	Grade K

Although we recommend target grade levels, all events are open to all parents interested in attending!

All Math Nights will be held at BCEMS from 5:30 – 7:30.

We offer free childcare (for children 11 and under) AND a light dinner!!

For any questions or concerns, please call Sherry or Chris in the Math Lab. (476-6541 x4214)
